Annual Report 2015

CENTRACARE Health Foundation

CentraCare Health Foundation engages the philanthropic community in partnerships to improve health and health care.

CentraCare Health Foundation Mission Statement

These hands represent the people of CentraCare Health. The plant and soil represent you and all of the communities we serve. We are here to support you and help you thrive.

As the new CentraCare Health President & CEO, I would like to thank the more than 7,000 donors who support our work. The impact of your gifts is reflected throughout our health system, and is a powerful testament to how generosity makes a difference in our patients' lives every day.

At CentraCare Health, we view ourselves as a family — and like any family we experience all that life presents to us, including heartbreak and loss. Early this fall, we tragically lost Todd Steinke, our new Vice President of Philanthropy & Community Health. Todd had served as the Foundation's Director of Development for the past 10 years, so we were confident of his abilities. We knew that his vision, innovation and leadership would help CentraCare Health move into a new era of improved patient experience, clinical quality and community health. Todd will be greatly missed. His impact on our Foundation and all of CentraCare will be seen for years to come.

As we look back at the year, we would like to send a genuine thank you to Mark Larkin for his years of commitment and service to our Foundation. We wish him and his family the best in his new endeavor in Boca Raton, Florida.

We are committed to the work of the Foundation and committed to working with you, our donors. We also are committed to improving the lives of those whom we serve, and improving the health of the communities where we live.

Thank you for your support of CentraCare Health and our Foundation.

Sincerely,

Ken Holmen, MD
President & CEO, CentraCare Health

Message from the Chair of the Board

We dedicate this annual report to Todd Steinke, who died tragically just 21 days after we welcomed him as CentraCare's new Vice President of Philanthropy and Community Health.

Todd was a good man — he was kind and compassionate, energetic and enthusiastic, and a visionary who sought to improve community health. He was a leader who excelled and encouraged others to do the same; he led by example and fully supported the work of his staff and employees.

We grieve his loss, and continue to keep his family in our thoughts and prayers.

Thrilled with the opportunities before him, Todd had written a message for this page. It still feels right to share his words, just as it feels right to continue his work — CentraCare Health Foundation's work.

Marc Sanderson,
CentraCare Health Foundation Board Chair

In Memory of ...

"With all of the great things happening at CentraCare Health, I am excited about being part of Dr. Holmen's team and to lead the Foundation. We have a great team of people who are committed to engaging our volunteers and generous donors in improving health and health care throughout Central Minnesota."

Todd Steinke

October 13, 1967 – September 5, 2015

A Quiet and Sacred Space

Fifty pieces of stained glass art were installed in the chapel at St. Benedict's Senior Community – St. Cloud by TerHaar Stained Glass Studio of Cold Spring. The project was completed in August 2015, and includes 40 stained glass panels in the upper windows and 10 panels in the lower windows of the octagon-shaped chapel.

This project always has been intended to give something special to the patients and residents of SBSC, and to enhance the experience they have in the chapel. According to Father Stephen Beauclair, "One of the most important things is to always let the residents know that they are welcome in the chapel, and having that kind of a feeling goes beyond the halls here."

Father Beauclair, who has been a leader with this project, has been at SBSC for the past one and a half years as the chaplain. Prior to his role at SBSC, he spent 40 years in parishes, including Richmond, for the last 10 years. Sister Susan Rudolph, current

director of Chaplain Services at SBSC, has been at the facility for 21 years. She approached him about the concept of this project, and the details fell into place. Father Beauclair recruited TerHaar Stained Glass Studio, because Terhaar had worked on a large project at St. John's University in Collegeville years earlier when he was working there.

As the project developed, a theme was discussed – Father Beauclair says of the process, "as we talked about it as a group, we thought about what would be a theme that could connect, or tie in, with St. Benedict's? What came to my mind was the Benedictine cross; I observed that the cross is a symbol of this place, and we wanted to fit it into the pattern of the glass."

Sister Susan says this project can impact the residents' chapel experience through the artistry of the glass. "I love art, I love beautiful things; the color, the meaning and the symbols can pull one into the prayerful mode at any time because of their beauty." This art, and the beauty of the glass and symbols, takes this peaceful space to a higher level for the residents, patients, families and staff of St. Benedict's Senior Community.

Stained Glass
40 Celestial Windows
10 Chapel Windows

50 Pieces of Art

The stained glass windows enrich the exterior and the interior of the chapel with radiant and colorful light that is uplifting to minds and hearts.

Featured with one of the pieces of stained glass artwork, from left to right: Father Stephen Beauclair, Sister Susan Rudolph and Sister Janelle Sietsema.

This project was funded through the philanthropic efforts of 13 generous donors—SBSC would like to thank them for their gifts:

Regional Grants

The Regional Grants are vetted through a three step process.

Step 1 > The Foundation staff screens out requests not aligned with CentraCare Foundation's mission or invites a full proposal be submitted to the Grants Committee.

Step 2 > Grants Committee reviews.

Step 3 > Full Foundation Board approval. Over the Foundation history, 450+ grant requests have been reviewed by the Committee and the Board has approved 276. The Grants Committee is looking for the best fit with the Foundation's mission of improving health and health care. Below are examples of the grants distributed:

- **St. Cloud Hospital > Mannequin for Rural Trauma Team Development course**
- **Spare Key > Central Minnesota Housing grant assistance for families of pediatric patients**
- **United Way of Central Minnesota > Early Learning – Talahi Neighborhood**
- **Assumption Community > Rural Stearns Faith in Action**
- **Epilepsy Foundation > Seizure Smart Schools program**
- **Pearl Crisis Center > Olweus Bullying Prevention program**
- **Catholic Charities > Homeless Youth Shelter/Transitional Housing**
- **Alzheimer's Association > Reshaping Rural Healthcare for Boomers**
- **Birthline > Stepping Stones Safe Baby Initiative**
- **Central MN Sexual Assault Center > Sexual Assault Nurse Examiner Program**
- **WACOSA > Wellness to Work**
- **Lutheran Social Services > St. Cloud Area Crisis Nursery**
- **The YES Network > Neighborhood based summer activity programs**
- **ISD 740 > Melrose High School Concession Stand Healthy Remodel**

Most recent Innovations Fund investments this past fiscal year included:

- **Greater St. Cloud Development Corporation – Wellbeing 5 Index > partnering with GSDC and SCSU for planning and guiding a workplace well being initiative with employers and other interested organizations in the region.**
- **Central Minnesota Concussion Collaborative (BrainSafe) > a community wide initiative to improve the care for patients of all ages with concussions, also known as mild traumatic brain injuries.**
- **CentraCare Clinic IHI Integrated Behavior Health > funding to engage in collaboration with the Institute for Healthcare Improvement to understand and explore the integration of Behavior Health into Primary Care.**

Field of Dreams

The residents of Long Prairie and greater Todd County have long been dreaming of a new medical campus to replace the existing 60-year-old facility to better serve the community. Thanks to the generous contributions from community members, businesses, families with a long history in the area and CentraCare Health – Long Prairie employees, plans for a new medical campus are underway and construction of the estimated \$25 million facility will begin by summer 2016.

In April 2014, a capital campaign was launched for a new medical campus. With early gifts from generous donors including long-time Long Prairie family practice provider, Paul Van Gorp, MD, and his wife Bobbi Knutson, and the Rodger and Marlys Bense family, the campaign was underway. Community response was great and it became obvious this project was vital to Long Prairie. The Lee and Jan Hanson family generously donated wetland credits for wetland mitigation needed on the south end of the property, which was a necessity in moving the project ahead.

The employees also supported this project whole-heartedly. In the 2015 annual employee campaign, Long Prairie led CentraCare Health system-wide with 62 percent of employees and 100 percent of leaders contributing.

Tom Rosen and the Rosen Family Foundation

"I was impressed with the support and contributions that have come from the employees, medical staff and leadership, as well as the great support from the community. CentraCare Health – Long Prairie is doing good work here and a new medical campus can help keep this community vital and healthy, both physically and economically."

Tom Rosen, President of the Rosen Family Foundation and CEO of American Foods Group, LLC

"A high priority in our lives has been to strengthen and improve the quality of life in rural communities. First-rate health care is one of the important resources necessary to maintain this goal."

Paul Van Gorp, MD & Bobbi Knutson

"We take great pride in supporting local organizations that are truly making a difference in the lives of the people who live, work and visit here."

Duane Anderson, President and CEO of Farmers Union Industries

put the campaign over the initial goal with a gift of \$500,000. Duane Anderson, president/CEO of Farmers Union Industries, LLP, was inspired by Rosen's gift and doubled their initial gift to encourage other businesses and organizations to support this effort.

A partnership between the community and CentraCare Health — Long Prairie is what made this dream a reality.

For information about giving opportunities, please contact Nicole Bjerke, at BjerkeN@centracare.com or 320-732-7337.

Many CentraCare Health – Long Prairie employees gather for a photo to celebrate the Employee Campaign success.

Caduceus Society

A philanthropic guild of CentraCare Health Foundation open to Central Minnesota practicing and retired medical staff who make a gift to support the Foundation's mission of improving health and health care. Members achieve active standing by contributing to the CentraCare Health Foundation Caduceus Society during the current calendar year. Legacy standing is achieved once a Caduceus Society member has cumulatively given \$10,000 or more. (As of June 30, 2015)

Jessica Swartout, MD, Caduceus member, established the Dr. Jessica & Andy Swartout Fund to benefit high risk pregnancies.

The CentraCare Health Foundation supports programs that impact the community through collaboration, partnerships and leadership. One of these programs is BLEND, which is a grassroots initiative advocating for healthy communities that allow every child the opportunity to easily participate in daily physical activity and have access to nutritious foods.

EarthDay
Half marathon | youth run and activities

Wishbone
Thanksgiving Walk/run

Crave The Change
Smoke-Free Housing

BLEND Initiatives

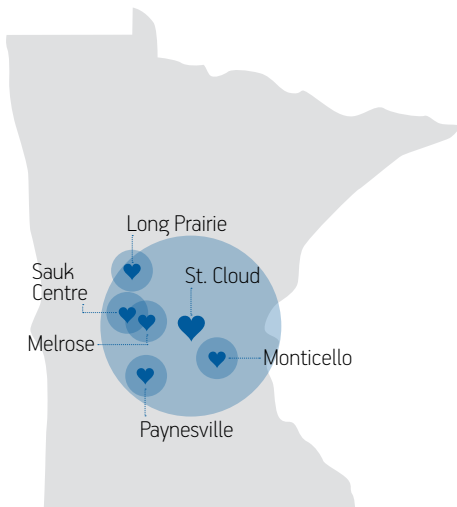

5-2-1-0
Promoting nutrition and physical activity

Safe Routes to School
Establish and sustain SRTS programs

Walk-A-Thons
Healthy and successful school fundraisers

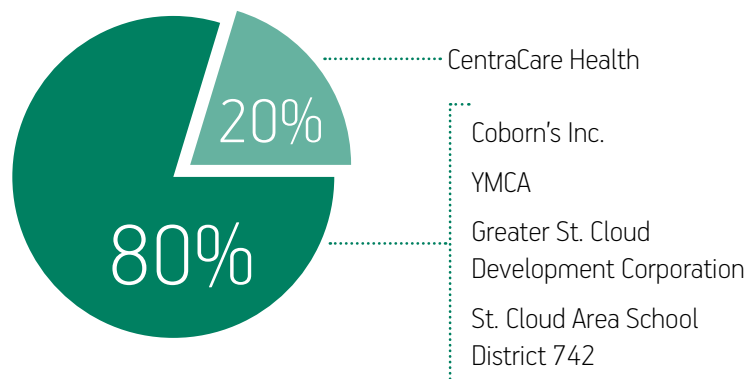

Fit Kids Club
Fun and fit kid activities

NuVal
Promoting healthy food choices

A Community of Collaboration

80% of health happens outside of CentraCare

Wellness in Action

In seeking to foster community collaboration and impact childhood wellness, BLEND staff connected with Geri Bechtold, director of KIDSTOP for the Boys & Girls Club in St. Cloud. The kids were invited to attend the annual BLEND Earth Day Run Kids Health and Fitness Expo, and to participate in the 1K Youth Fun Run at St. Cloud State University. As a result of this new partnership, BLEND staff created a special Earth Day Run just for the kids of this KIDSTOP program, which would be held prior to the larger Earth Day Kids 1K that day. They also partnered with physical education teachers at the St. Cloud School District to provide a physical training program with activities for the children to help them prepare for their special race.

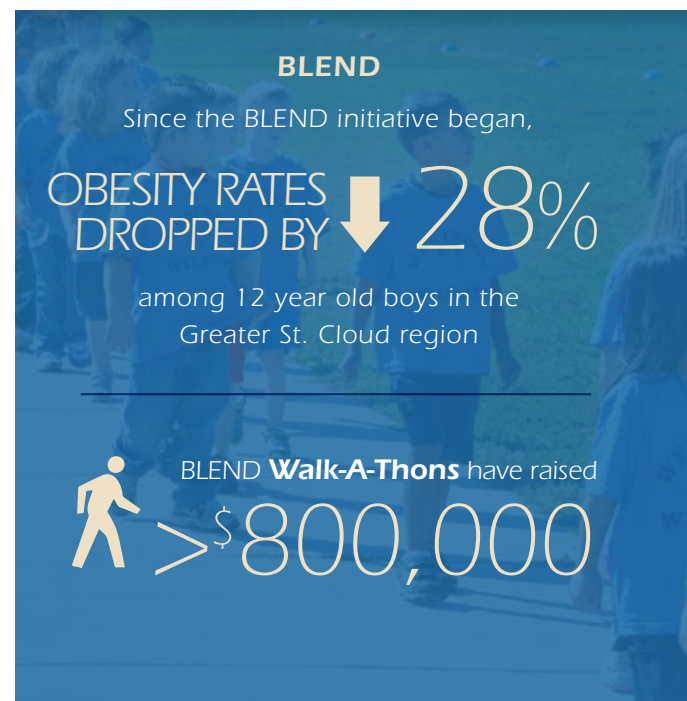

The children started training about two months before the race; 215 children from their program visited the BLEND expo and 208 children participated in the run. The children were excited about the expo, the race and most importantly receiving medals as they crossed the finish line. The day was full of smiles and energy as they cheered each other on!

Geri was at the finish line and witnessed a lot of great moments, including one between two young brothers, Cody and Nolan Seiberlich. "These brothers are at one of our sites, and Nolan is in first grade with special needs – he participated in the 1K and had a helper run with him. His older brother, Cody, is in fourth grade and had finished the 1K before him. As Nolan crossed the finish line Cody was waiting for him. He gave him a high five and a big hug and said '**I knew you could do it, Buddy!**' — it brought tears to my eyes."

The event was a success due to all the volunteers and BLEND staff who made it possible for the kids to get to the event, as well as participate in the run.

Sue, Nolan, Dennis and Cody Seiberlich shared their BLEND experience with the CentraCare Health Foundation Board of Directors.

Employee Campaign

These CentraCare Health employees participated in the 2015 Employee Campaign and are listed alphabetically by giving level. (As of June 30, 2015)

Deceased †

We enable life victories everyday.

CENTRACARE Health Foundation

Engaging the philanthropic community to **improve** health and health care across central Minnesota.

50+

MEMBER TEAM

1,100+

VOLUNTEERS

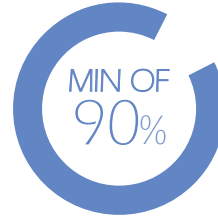

7,100+

DONORS

Since 2007, the Foundation has generated
\$ **57 MILLION+**

which funds patient care, community, innovation, research and education

→ A minimum of 90% of funds are distributed to improve health and healthcare in our community

→ A maximum of 10% covers operational costs

Help us continue to strengthen and diversify investments.

9 out of 10

Central MN Residents Rely on CentraCare Health for Care

HOW WE'VE IMPACTED THE COMMUNITY:

ST. BENEDICT'S SENIOR COMMUNITY

MEETING THE NEEDS OF
>500
OLDER ADULTS
in St. Cloud

Stained Glass Project
= 50 windows

LONG PRAIRIE MEDICAL CAMPUS

>\$2.3
MILLION RAISED

62,000 sq ft clinic & hospital

- 12 inpatient and outpatient rooms
- 2 dedicated labor/delivery/recovery suites
- 2 operating suites
- Expanded outpatient areas

BLEND

Since the BLEND initiative began,

OBESITY RATES DROPPED BY **28%**

among 12 year old boys in the Greater St. Cloud region

BLEND **Walk-A-Thons** have raised

>\$800,000

WE NEED YOUR CONTINUED SUPPORT.
BECAUSE TOGETHER, WE CAN ACHIEVE ANYTHING.

A background of vibrant green leaves, some in sharp focus and others blurred, creating a sense of depth and natural beauty. The leaves are various shades of green, from bright lime to deep forest green.

Live your passion and change the world.

- Dawn Tevy
