

You have an upcoming appointment scheduled at Coborn Cancer Center in Radiation Oncology. The doctors in this area are specialists in the treatment of cancer who plan and prescribe radiation as the primary modality of treatment.

Through every patient encounter, we provide both excellent service and the highest quality care. As you prepare for your visit, please consider the following:

- To provide you adequate time with your care provider, a designated appointment time is scheduled for you. Please arrive 15 minutes before your scheduled appointment to allow time for the nurse to review your medical history with you.
- Bring your current insurance card(s) and photo ID. You may want to contact your insurance company for authorization.
- Please complete the health history form and bring it to your visit or use MyChart.
- Bring a list of questions you would like to ask during your visit.
- Upon arrival, you will have your photo taken for identification purposes.

**Internet Access:** For your comfort and convenience, Wi-Fi is available in our lobby.

**MyChart:** Register for MyChart at [www.centracare.com/mychart](http://www.centracare.com/mychart) and you can communicate with your doctor, request prescription refills, manage your appointments, securely access your medical information such as test results and more.

**Supportive Services:** We have experts and programming available at Coborn Healing Center to support your mind, body and spirit as well as referrals to community resources.

Thank you for choosing Coborn Cancer Center. It is a privilege to take care of you and be your healthcare partner. We look forward to meeting with you. If you have any questions, please call **320-229-4900**.

Sincerely,

Your healthcare providers at Coborn Cancer Center
