

MEMO

TO: Clients

FROM: CCLS – Laboratory Services

DATE: 4/5/2022

SUBJECT: CCLS Procedure Catalog

Due to concerns of specimen stability, the CCLS Procedure Catalog should be referenced for questions of specimen transport temperature when sending specimens to CCLS Laboratory Services.

- EPIC Beaker Procedure Catalog contains information on collection and testing temperatures of specimens and should not be referenced for specimen transport temperature information.
- Link available to CCLS Procedure Catalog: [CentraCare Laboratory Services \(testcatalog.org\)](https://www.centracare.com/testcatalog.org)

Please feel free to contact CCLS Laboratory Services with any questions at 320-251-2700 Ext. 55632
